Today's photo was sent in by Jean Harding and she tells me "It is a VE Day Party which took place shortly after the end of WW2 held in Orpington. The area was known as the Mount and today it is the site of Perry Hall Junior School. Included in the photograph are my husband and his parents and I suspect quite a few faces that would be recognised.

My husband is David Harding born 19/2/1939 and his parents were Ernest Harding born 4/06/1907 and Violet Lee born 28/05/1912."

### **What's On - A reminder of NWKFHS Events during the next few weeks**

[\(Click here to see the entire Talks, Workshops and Events programme so you can book your diaries well ahead\)](#)

Our meetings are interesting mix of speakers and workshops. The Branch meetings with speakers are held at venues in Bromley, Dartford and Sevenoaks and the workshops are in the Society Library in Joyden's Wood, which we have sole use of on Wednesdays.

**Branch meetings are free to NWKFHS members and no booking is required.** Guests are welcome but we appreciate a donation of eg £1 - £2 to the Society's funds to help cover the costs of hall hire and the speaker. Please join the Society if you want to come to more than one meeting - only £10 a year or £12 total for two members at the same address <https://www.nwkfhs.org.uk/about/our-membership>

**The 2-hour workshops** are limited to 10 members and have proved very popular. Several are full already - however don't let that stop you booking them as reserve lists are kept and a second workshop on the same topic is arranged if there is demand. Sometimes reserves are invited to join the workshop at short notice. Please note that **booking is essential for workshops** and we invite a donation eg £5 towards the costs of maintaining the library.

**Go to the Society website and you can see all the workshops for the next 12 months. Just hover your cursor over the event entry for further info. Workshops do fill up quickly and are only open to**

for a whole year for £10 instead.

<https://www.nwkhfs.org.uk/community/events>

To join NWKFHS and come to the library, all our meetings, house groups and workshops please just click [here](#) or email Membership Secretary Mrs Christina Barnett, on [membership@nwkhfs.org.uk](mailto:membership@nwkhfs.org.uk) **Membership is only £10 per year or £12 for two people at the same address. Value of family history news and help you can receive .... priceless.**

**Membership benefits:** members get access to all our meetings with speakers PLUS a quarterly journal packed full of articles and useful information, monthly workshops on topics requested by members and the benefits of our library and research centre, open Wednesdays. The website has a members - only area with back journals and other data.

**The Library** at 80 Summerhouse Drive, Joyden's Wood, Bexley DA5 2EE is open to members and visitors every Wednesday from 10am to 4pm. Our volunteers can help you with your research and you can use the library computers with free Find My Past and Ancestry access. NOTE: no wifi access on 6 March due to the council making some changes. Normal service will hopefully be resumed by 13 March.

### **Final Membership Renewal Call**

If you are a member who has not renewed, please help our volunteer membership and renewal secretaries and renew now. Membership renewal was due on 1 January. You can pay by standing order; or by cash or cheque at one of our meetings; or by post - and a renewal form was in the centre of the December Journal (yellow pages). If you pay basic rate UK income tax please gift aid. This costs you nothing and boosts the value of your membership by 25% to the Society.

If the renewal form is not to hand (or you are abroad and find it easier to pay online), you can renew online

here <https://www.nwkhfs.org.uk/shop/nwkhfs-shop/membership/individual-membership-renewal>

**March 16 Saturday 10.30am - Speaker at Bromley on**

**Powers behind the Thrones**

**Talk preceded by Branch Annual Meeting**

**Guest speaker Imogen Corrigan**

Many think that it was only in the twentieth century that women came into their own, even though there are still arguments about whether or not women should be bishops and generals, or if there should be a higher proportion in the board room.

The truth is that our Anglo-Saxon sisters had a surprising freedom in law; they could own land, sue and be sued. A quarter of all wills that survive from before the Conquest were written by women. Whilst Anglo-Saxon England led the way in the first millennium, other countries were not far behind.

In this talk we discover the influential woman of the first thousand years AD. Whilst we will meet saintly and worthy women who led with a firm, guiding hand, perhaps the more interesting ones are those who go down in history for their cruelty and monstrous behaviour, although it is also one or two of these who helped to spread Christianity. What is plain is that these women had a voice, sometimes ruling those who

ruled with surprising authority: down-trodden and marriage chattels  
they were not!

Doors open 9.45am, meeting starts 10.30am. The venue, Bromley Methodist Church, College Road, Bromley BR1 3NS has a free car park (although this can fill up) and is close to Bromley North Station and is on or near many bus routes.

Free to all NWKFHS members. No booking - just turn up. Guests are welcome but we appreciate a £1- £2 donation to the Society's funds. More info from [bromley@nwkfhs.org.uk](mailto:bromley@nwkfhs.org.uk)

**PS WOULD YOU LIKE?**

Last month Dartford Branch had a very informative and entertaining talk by Ian Bevan.

Ian is an official London tour guide so I was wondering how many of you would like a walking tour around Woolwich? Many society members have family history from this fast changing area of South East London so why not look at Ian's

website: [www.ianswalksandtalks.co.uk/walks.html](http://www.ianswalksandtalks.co.uk/walks.html) and then contact me, Hilary, at the [newsletters@nwkfhs.org.uk](mailto:newsletters@nwkfhs.org.uk) address using Woolwich Walk as the subject. If I get a reasonable response I will see what I can

do for September/October 2019.

**April 6 - Saturday 10.30am - Speaker at Dartford  
Talk preceded by Branch Annual Meeting  
Guest Speaker Claire Weiss**

**Zoe Hart Dyke and the Leyton Silk Road**

Claire Weiss talks about the remarkable life of silk maker Zoe Hart Dyke who was born in Leyton.

Although now closed, Lullingstone Silk Farm was established by Lady Zoe Hart Dyke, in the early 1930s and was the country's first such farm. A childhood passion became a flourishing business, producing silk for the late Queen Mother's coronation robes in 1937, for the Queen's wedding dress in 1947 (using silkworms from China - as it was thought unpatriotic to use 'enemy' Italian silkworms, so soon after WW2),

Free to all NWKFHS members. No booking - just turn up. Guests are welcome but we appreciate a donation to the Society's funds. More info if needed from [dartford@nwkfhs.org.uk](mailto:dartford@nwkfhs.org.uk)

Please do not bring any products that are aerosol based, or foods which may contain nuts, onto site. I do hope that you all will understand the importance of this request, and we thank you for your understanding.*

**THERE WILL BE NO SEVENOAKS EVENING MEETING TODAY.**

**April 13 Saturday 10.30am - Speaker at Bromley on**

**Travelling on the Victorian Railways**

**Guest speaker Dr David Turner**

The railway was one of the main modes of long distance travel for Victorian Britons, and its processes - checking the timetable, buying a ticket, taking a seat

- were central to both the industry and leisure of the period.

Dr David Turner tells the story of travelling by rail after 1830 to the turn of the century and the development of stations, passenger carriages, waiting rooms and tickets; less familiar phenomena such as smoking and 'ladies only' compartments, and excursion trains; and the danger of accidents.

This introduction to the Victorian railways shows the face of an era reflected in its new method of travel, and will allow the reader to note fascinating similarities between travel in that period and our own.

Doors open 9.45am, meeting starts 10.30am. The venue, Bromley Methodist Church, College Road, Bromley BR1 3NS has a free car park (although this can fill up) and is close to Bromley North Station and is on or near many bus routes.

## **Interested in the MATSON family of East Kent?**

<http://acms.sl.nsw.gov.au/transcript/2014/D32715/a1453.pdf>

I googled an ancestor's name and this amazing piece of research was displayed as one of the results. Sadly the connection proved not to be my ancestor, but I thought you might be interested in taking a look.

It's a document of over 300 pages (!) but page 290 onwards is a list of names in surname order. One of your ancestral surnames may be listed because he or she married into the MATSON family. Why not take a look? The document is fully searchable for names, place-names etc.

## **Calling Calendar Girls (and Boys) 2020 NWKFHS**

This year we are again asking for sponsorship to cover the printing so that all the sales are profit for the Society's funds. Those who sponsor will have the privilege of seeing their names listed as sponsors (amounts will not be stated).

The competition for photos for the 2020 calendar ends on 30 June. This cut off date is necessary so that the winning photographs can be chosen and the calendars printed in time for us to get them on sale in early autumn before buyers have bought their calendars elsewhere. Remember to take your smartphones or cameras with you when you are out and about in the NWK area.

Please send photos by email to Tony Codling [chairman@nwkfhs.org.uk](mailto:chairman@nwkfhs.org.uk) and donations to Pat Gooding, Treasurer marked 'calendar sponsorship' - using the library address on the inside cover of the Journal.

Remember the closing date for photos and to be listed as a sponsor is 30 June 2019.

*Editor's note: I often get asked to publicise family history fairs, new books on genealogy and small genealogy businesses. I use my discretion in including ones which are local to our area or which I think may interest readers. It does not mean that I or NWKFHS has any personal knowledge, or makes any recommendation, about the event or business.*

*If there is anything else I should be aware of, to give you maximum benefit from this emailinfoservice, please let me know. I do receive many suggestions and requests for external events to be included, but there is only room for so much and I am conscious that the longer this email is, the less likely it is to be read. Some external events I publish on our Facebook page instead. But I'd welcome your opinions on the length and content and whether there is anything additional you'd like included.*

*Please mention it to others and encourage them to sign up so that we can keep society members and anyone interested in family history informed of NWKFHS activities.*
