

This photo is of the display in the window of Joydens Wood Library.

The Society has sole use of the Kent County Council library at Summerhouse Drive, Joydens Wood, Bexley, on Wednesdays.

Between 10am and 4pm, members can call in for a chat about family history, get help with their research and browse our collection of over 5000 books on the locality, family history matters and many other subjects.

Periodically we are offered use of the large window facing on to the pavement. Our latest display is even better face to face!

The Coronation Display blends memories and artefacts from the coronation of Queen Elizabeth II and the imminent coronation of King Charles III.

Member Brian Kirk assembled the resources, some loaned by other members, and masterminded the arrangement of the display.

Users of the public library and the Joydens Wood Facebook page have all expressed interest and approval of the display. Pop in and take a look.

**Welcome to the 1 May 2023 enews and our programme of talks and workshops over the next four weeks or so.**

I am circulating this enews a few days early so I can also remind those interested in our Dartford Branch talks, normally the first Saturday monthly, that the talk will be tomorrow, Saturday 29 April as otherwise it would have coincided with the King's Coronation on 6 May.

Talks and workshops have been planned until the end of the year see <http://www.nwkfhs.org.uk/events/overview/all-upcoming-meetings> to book your diary ahead of time.

.....  
**Dartford Branch Talk: *The Normandy D-Day Landings* with Ian Thomson**

**Saturday 29 April: Doors Open 9.45am meeting starts 10.30am and will end by 12.30pm**

**Dartford Science and Technology College, Heath Lane, Dartford Kent DA1 2LY**

Ian is well known to the Society.

This fascinating talk is not about the fighting; Ian will reveal the intelligence war behind the Operations and how the allies fooled the Germans.

There is a large, free car park but it is shared with other users and can be busy at times.

No booking, just turn up.

*The Society is a registered charity and membership fees and donations are an important part of our income. The Talk is free to members but guests and visitors are asked to make a donation towards hall hire and speaker's fee. There will be a donations box at the venue.*

The meeting will be led by Janet Rose.

**Because of the Coronation on 6 May, this talk has been brought forward by a week and will be Saturday 29 April. There will not be a talk /meeting on 6 May.**

.....  
**Sevenoaks Branch Talk: *The History and Mystery of Funerals* with Susan Flipping**

**Saturday 13 May Doors open 10.45am meeting starts 11am**

**Otford Village Memorial Hall 28A High Street, Otford, Kent TN14 5PQ**

**About the speaker**

Susan is an independent wedding, naming and funeral celebrant but has been fortunate to have had many other amazing jobs including radio journalist, published author, lecturer and events organiser. She has spent much of her working life in front of an audience of one kind or another, sharing her enthusiasm and knowledge.

## About the Talk

Death, and the funeral rites which follow it, have always reflected the culture of the time; and what we consider 'normal' comes from thousands of years of changing beliefs and traditions.

Our ancestors had practices that seem strange – even bizarre – to 21st century minds yet we can often see how they leave their mark even now.

The talk looks at funeral and death rites over the last thousand years and across the world, considering how they reflect the way our ancestors lived in successive generations.

No booking, just turn up.

*The Society is a registered charity and membership fees and donations are an important part of our income. The Talk is free to members but guests and visitors are asked to make a donation towards hall hire and speaker's fee. There will be a donations box at the venue.*

There is a large public car park (payment required) adjacent to the hall but it can be busy.

*I am a volunteer creating this e-news in my 'spare time' but, if you do notice any errors, please tell me, so that they are not carried forward to the next edition.*

*I often get asked to publicise family history fairs, new books on genealogy and small genealogy businesses. I use my discretion in including ones which are local to our area or which I think may interest readers. It does not mean that I or NWKFHS has any personal knowledge, or makes any recommendation, about the event or business.*

*Please email me if there's anything you want to say about enews.*

*Please mention it to others and encourage them to sign up so that we can keep society members and anyone interested in family history informed of NWKFHS activities.*
